

Advertisement for the post of JRF/PA (Department of Chemistry)

Applications from NET Qualified or non NET post graduate candidates are invited for One post of JRF/PA in the Science & Engineering Research Board(SERB) funded major project (Vide No SB/EMEQ-336/2014 dated 04.02.2016) entitled, **“Absorption Spectral Analysis and Kinetics Study of 4f-4f Transition for the Complexation of Pr(III)/Nd(III) with the Biologically Important Ligands”** in the Department of Chemistry, Mizoram University, Aizawl. Candidate must have completed M. Sc. with at least 55% marks in the subject of Chemistry and preferably below the age of 35 years. Interested applicants may submit their complete Bio-data (attested scanned copies) online along with application on plain paper and one recent passport size photo addressed to the Principal Investigator by E-mail. The position is purely temporary and co-terminus with the project.

The applications must reach the undersigned on or before 15th March, 2016.

No TA/DA will be paid for attending the interview.

Dr. N. Mohondas Singh (Principal Investigator)

Assistant Professor, Department of Chemistry, Mizoram University, Aizawl-796 004 (Mizoram),

E-mail: nmdas08@rediffmail.com & nmdas08@yahoo.com
